

Stanley Assembly Technologies® products are warranted against defects in material or workmanship by Stanley Black & Decker, Inc. (“STANLEY”) for the useful life of the product. This limited lifetime warranty does not apply to (i) the PSI-intelligent air tool product line; (ii) software; or (iii) electrical components, which are warranted for a period of eighteen months from date of shipment by STANLEY to the initial purchaser.

STANLEY will repair or replace, at its option, any Stanley Assembly Technologies® product which, upon inspection of the product by STANLEY, is determined to be defective within the warranty period. STANLEY may from time to time elect to repair or replace a product at no charge even though STANLEY has determined that the product was not defective. The decision to repair or replace a product at no charge shall not be deemed an admission that the product is defective.

Warranty Repairs performed by STANLEY or a STANLEY Certified Repair Center and replacement products are warranted for a period of 90 days from the date the repaired or replacement product is delivered or the remainder of the original warranty period, whichever is longer.

The foregoing warranties shall not apply to standard wear parts, such as bevel gears, to defects or damage arising after the warranty period expires, or due to:

1. failure to maintain and use the product in accordance with the instructions provided;
2. use of non-genuine STANLEY replacement parts;
3. accidents, tampering, modification, misuse, abuse, or abnormal wear and tear;
4. repair services not performed by or at the direction of STANLEY; or
5. continued use after partial failure.

OEM Products

Some STANLEY Assembly Technologies custom engineered systems include components manufactured

by others. The warranties of each individual manufacturer shall apply to these components and STANLEY makes no representation or warranty of any kind, express or implied, with respect to such components.

General Terms

THE ABOVE WARRANTIES ARE EXCLUSIVE AND ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. STANLEY’s sole responsibility shall be to repair or replace products under warranty as set forth herein; STANLEY shall not be responsible for incidental or consequential damages or the inability to use its products for any purpose whatsoever. STANLEY’s maximum liability shall not in any case exceed the contract price for the products claimed to be defective. Some states and countries do not allow limitations on implied warranties or the exclusion or limitation of incidental or consequential damages so one or more of the above limitations may not apply to you. You may also have other rights which vary by state or country.

Warranty Claims

To obtain warranty service, please take the product to your STANLEY Certified Repair Center OR:

- a) Contact the STANLEY Assembly Technologies customer service department to obtain a “Return Authorization Number” and “Warranty Claim Report Form.”
- b) Package the product including proof of purchase and the completed warranty claim form.
- c) Note the Return Authorization Number on the exterior of the package and return freight to:

STANLEY Assembly Technologies
